Dear Valued Customers:

We will be issuing a price increase as outlined below. The price increase will take effect as of February 14, 2024. All existing open quotations dated prior to October 1, 2024, shall no longer be immediately accepted after February 14, 2024 and be subject to a complete review.

The noted price increases shall apply to all new quotations, account contracts, and price lists. We shall reserve the right to invoke additional price revisions to address uncertainties outside of our direct control as the year progresses.

Description	Price Increase
Transportation – Fabricated products	Project-specific pricing outlined in each quotation.
Transportation – All Products	2.5% to 8%

Updated price books will reflect specific price increases by product type. If updated pricing is needed prior to our issuance of the 2025 price book, please contact your sales representative.

We appreciate your business, and our sales professionals will work with you on project-specific pricing during the transition period.

Sincerely,

Gary Moore
Vice President

Chris Fanning
National Sales Manager
